## "The Blood is The Life."

Science has never gone beyond the above simple statement of fact. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, the mind and judgement are clouded, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Pure, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

## \$300 PIANO AT AUCTION.

The Star Attraction of the Pure Food Show. The handsome Berkeley Piano in the F. G. Smith Piano Co.'s Exhibit to go to the highest bidder.

An auction is always interesting—always fascinating—with its chance of getting something you really want at a price of your own making which is invariably a great deal less than the article is really worth.

There'll be an auction at the Pure Food Show. It'll prove the "live-wire" of the whole show. The F. G. Smith Piano Company will put up a handsome \$800 Berkeley which will be sold to the highest bidder no matter how little or how much he bid. Everybody who visits the show should put in a bid. All bids will be considered and there is always the chance that your bid will be the highest and the piano will be yours.

The piano to be auctioned is part of the F. G. Smith Piano Company's exhibit of high-grade Bradbury, Webster and B. Kelly pianos, manufactured and sold direct at factory prices by this concern. These instruments were awarded a gold medal at the recent Jamestown Exposition and are beautiful examples of the finest piano built.

When you visit the show be sure and put in a bid for the Berkeley piano.

## WANTED TO KILL ROOSEVELT.

A dispatch to the London Express from Horta, Azores, says an attempt was made on the life of ex-President Roosevelt aboard the steamship Hamburg, which arrived there at noon yesterday. The attempt was frustrated and the would-be assassin placed in irons. The London Daily Mail, in its second edition, prints a story from a correspondent aboard the Hamburg in regard to the attack upon ex-president Roosevelt. He says:

"An Italian steerage passenger, named Giuseppe Tosti, suddenly broke away from companions and rushed to the upper deck where Mr. Roosevelt was standing with Kermit. 'He let them take away my child; he shall pay for it,' shouted the Italian, but before he could come to close quarters, several sailors seized him and carried him below, where he was placed in irons. The man is said to be insane. None saw the incident except the ex-president and a few friends."

All the dispatches are without details. Mr. Roosevelt is in excellent health and was enthusiastically received on the arrival of the steamship. Kermit Roosevelt went ashore and indulged in some shooting, as the guest of the Portuguese consul. He also collected some specimens.

The Hamburg left Horta at 9 o'clock yesterday evening on her way to Naples. Dispatches today say that the man made no attempt on the life of the ex-president, and that the latter knew nothing concerning the matter until after he had been placed in irons. Tosti had been damaged during the voyage. He will be turned over to the authorities when the Hamburg reaches Naples.

## WOMAN SHOT.

N. G. Read, president of the First National Bank of Washington, Ind., yesterday received a letter asking him to place \$50,000 in a box and leave it at the Walnut street school's east gate at 1 o'clock and run home, threatening to kill him and his son Louis, the bank's assistant cashier, if he failed to comply.

Read informed the police, who secreted themselves in houses adjoining the school while Read placed a decoy box at the spot named and ran away. A few minutes later a man and woman appeared at the gate, where the woman picked up the decoy box. As she did so she was shot from the school building. Her companion ran and escaped. She was picked up covered with blood and taken to jail, where she was identified as Zella Clark, a domestic, aged twenty-eight. Forty shots were deeply imbedded in her neck and arms. She may recover.

She denies writing the threatening letter, claiming the man with her was a stranger she had met yesterday evening, and that he had walked with her but a short time when he told her of a box he had left at the school gate and that at his suggestion she picked it up. The police chief promises a greater sensation within twelve hours, when he expects to have proof enough to make another arrest.

## DEATH ON A STREET CAR.

While on her way from the Naval Hospital, where she had visited Lieut. Semmes Read, President Tati's aid, who was crushed beneath his horse recently, Mrs. Adelaide Snowden, wife of Lieut. Comdr. Thomas Snowden, of the president's yacht Mayflower, suffered a cerebral hemorrhage, and died shortly after being taken to the Emergency Hospital, in Washington, yesterday.

The conductor stopped the car in front of the Exhibit House, and Mrs. Snowden was removed to the Ebbitt House drug store. She expired fifteen minutes after reaching the hospital. Returning to the car the conductor assisted several women who had fainted into the drug store, and they were revived.

When Mrs. Snowden reached the hospital she was quickly placed on the operating table, and although the physicians worked over the patient it was evident that nothing could be done. The identity of the sufferer was established through cards found in her purse.

Mrs. Snowden was born in Peekskill, N. Y., and was married to Commander Snowden about fifteen years ago. She was an earnest and charitable church worker, and a member of Army and Navy Chapter, D. A. R.

Unequaled as a Cure of Croup.  
"Besides being an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequalled as a cure for croup," says Harry Wilson, of Waynesboro, Ind. When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by W. F. Creighton & Co. and Richard Gibson.
